Dear Friend:

It is my great pleasure to invite you to join me for one of Capital Health's favorite traditions—the annual Dr. Abraham George Memorial Golf Tournament. Every spring, we look forward to teeing off in support of Capital Health's dynamic role as a leading healthcare resource for our region and beyond.

Capital Health is the largest healthcare system in Mercer County with multiple campuses and centers of excellence in areas such as neuroscience, digestive health, oncology, orthopedics, cardiology, maternal child health and behavioral health.

Funds raised from the 2014 Dr. Abraham George Memorial Golf Tournament will provide critical resources that help sustain our commitment to provide the families we serve with ever higher levels of quality care—from recruiting and retaining exceptional physicians, nurses and staff, keeping pace with the latest technological advances to providing state-of-the-art facilities and pursuing innovative outreach initiatives, ensuring that everyone has access to the best possible healthcare.

For the past 16 years, Capital Health's friends and colleagues have been hitting the green for an important cause—a lifetime of good health. Your participation in the 2014 Dr. Abraham George Memorial Golf Tournament means a great deal to help further the life-changing work that takes place at Capital Health every day.

I look forward to seeing you on the green for a wonderful day of golf!

Sincerely,

DR. ABRAHAM GEORGE was a nuclear cardiologist who joined the staff of Capital Health at Mercer Medical Center in 1982. He served in many leadership positions, including president of the Medical Staff and as a member of the Capital Health Board of Directors. Dr. George came to golf late in life, but the joy he brought to the game was pure and genuine. He appreciated golf's challenges and reveled in the camaraderie of his golf buddies. Dr. George's dedication to Capital Health and to our community makes it appropriate that he be memorialized through this annual tournament.
