Gold Plus Recognition

“Hospitals receiving Get With The Guidelines Gold Plus Achievement Award have reached an aggressive goal of treating stroke patients with 85 percent or higher compliance to core standard levels of care as outlined by the American Heart Association/American Stroke Association for 24 consecutive months. In addition, those hospitals have demonstrated 75 percent compliance to seven out of 10 stroke quality measures during the 12 month period”

Target: Stroke Honor Roll

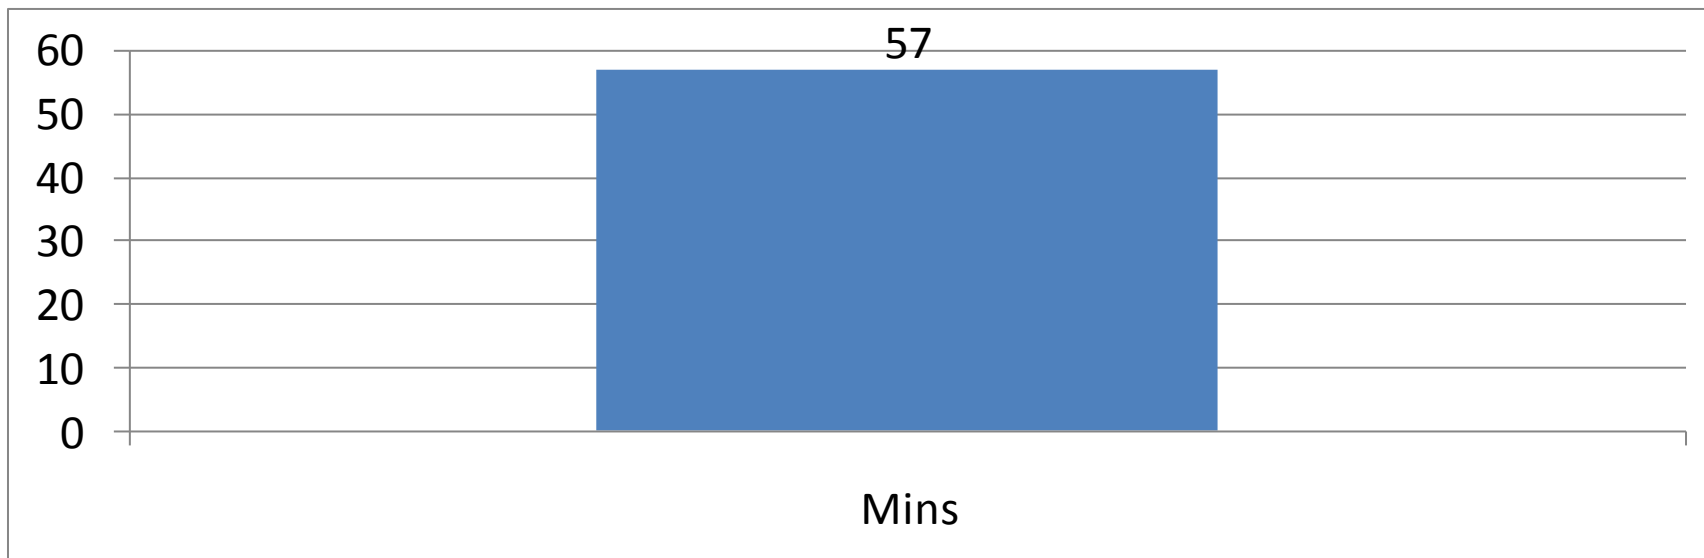

“Hospitals achieving Time to Intravenous Thrombolytic Therapy ≤ 60 minutes in 50 percent or more of applicable acute ischemic stroke patients to improve quality of patient care and outcomes.”
