

**THANK YOU** to our many wonderful friends – incredible sponsors, golfers, bocce and croquet players, and dedicated volunteers — for your exceptional support of the **2018 Dr. Abraham George Memorial Golf Tournament!**

Your generosity and caring spirit made this event a great success, raising \$211,000 in net proceeds for the Capital Health Cancer Center. Thanks to your support, the Cancer Center now has a dedicated van to transport patients to and from their visits. We are deeply grateful for your partnership to enhance the clinical and supportive services that are life-changing for patients and families who face the challenges of a cancer diagnosis every day.

We look forward to seeing you on **June 5**, when the **2019 Dr. Abraham George Memorial Golf Tournament** will once again make a difference for patients and their families cared for at our Cancer Center.
