Dear Friends.

As a community, it is reassuring to know that there is a place where we can go when facing an urgent medical need, and unexpected diagnosis, or when anxiously awaiting the birth of a new child. Capital Health values the confidence patients place in its ability to provide this care and is committed to the community it serves.

As our hospital's Auxiliary, it is our mission to help support the health and educational programs Capital Health offers to our patients. We thank you for your generous sponsorships of our past fundraisers and hope we can count on your patronage again this year.

We are hosting a fashion show and silent auction charity event on Friday, October 04, 2019 in support of the work our Neonatal Intensive Care and the March of Dimes does to help treat babies born prematurely or with birth defects. Proceeds from this event will be used to sponsor grants for health and educational programs our hospital offers to mothers and their babies. We hope that you will join us in supporting this important cause. For more information about our event, please visit our website at <https://www.capitalhealth.org/runwayofcourage>.

If you would like to participate in our charity event, please complete the enclosed sponsorship reply form and mail your donations along with the form to the attention of the "Sponsorship Chair" at 2 Tanglewood Drive, Titusville NJ, 08560. Please make checks payable to the "Capital Health Auxiliary".

Thank you for your consideration. Your support is greatly appreciated.

Sincerely,

Donna Costanzo & Susan Cammarano, Sponsorship Co-chairs
