DO YOU HAVE A SICK CHILD AND NEED PROMPT PEDIATRIC EMERGENCY CARE?

Come to the Pediatric Emergency Department at Capital Health Medical Center – Hopewell. We're an ER devoted to children ages newborn through adolescence and operated by physicians trained in the care of pediatrics and pediatric nurses, 24 hours a day, seven days a week.

HAVE AN ILL OR INJURED CHILD WHO NEEDS TO STAY OVERNIGHT IN A HOSPITAL?

The Inpatient Pediatric Unit at Capital Health Medical Center – Hopewell has a 10-bed unit designed just for kids, with all-private rooms, child-friendly meals with "At Your Request" food delivery, and child-friendly décor, including playroom, free Wi-Fi, and Nintendo Wii-connected flat screens. Specialty trained pediatricians and nurses are here to care for your child.

PEDIATRIC EMERGENCY DEPARTMENT

Capital Health Medical Center – Hopewell
609.303.4466

Capital Health's pediatric emergency department provides emergency care just for kids. Children are diagnosed and treated quicker and in a friendlier environment than a traditional emergency room.

- Our department is a 17-bed unit and the only 24/7 specialty staffed pediatric emergency department in Mercer County.
- Care is provided to newborns up to adolescents in a separate area away from adult patients.
- Care is provided by experienced physicians and nurse practitioners trained in the care of pediatrics, as well as a credentialed pediatric nursing staff.
- Pediatric expertise and innovative programs allow children to return home to their families sooner, often without having to be admitted.

INPATIENT PEDIATRIC UNIT
Capital Health Medical Center – Hopewell

Capital Health's 10-bed pediatric inpatient unit has been caring for children for more than a decade, complementing our specialized Pediatric Emergency Department. Our team provides specialty care for ages newborn through adolescence, including:

- Experienced pediatricians in the hospital 24 hours a day, available to provide on-site care
- All-private rooms
- Child-friendly meals with "At Your Request" food delivery
- Colorful, child-friendly décor, including playroom, free Wi-Fi, and Nintendo Wii-connected flat screens
- Experienced pediatric nursing staff who provide comprehensive and compassionate care
- Nurses credentialed in Pediatric Advanced Life Support (PALS)

Capital Health offers the only community-based pediatric inpatient unit between Philadelphia and New Brunswick.

PEDIATRIC TRAUMA UNIT
Capital Health Regional Medical Center

The pediatric trauma unit has an expert multidisciplinary team led by trauma surgeons from our level II Bristol-Myers Squibb Trauma Center. Severely injured children come to our unit for:

- Experienced pediatric staff that provides individualized care
- An on-site visit by a hospital pediatrician

Trauma care is provided for children ages newborn through adolescence.

CAPITAL HEALTH – PEDIATRIC CLINIC
Capital Health Family Health Center
609.394.4473

Our pediatric-trained advanced practice nurses and staff offer wellness visits, sick visits, immunizations and physical exams to children ages newborn through adolescence. Our office is located on the third floor of the Family Health Center, located at 433 Bellevue Avenue in Trenton.

Our office only sees those who are uninsured, self-pay or straight Medicaid (no insurances are accepted). Our office hours are 8 am – 4 pm, by appointment only. Nosotros hablamos español.
