Dear Friends,

For over a decade, this well-attended premier event has been integral in securing funding vital to Capital Health's dynamic programs and services, while sustaining our role as the region's preferred healthcare resource.

The 2021 Dr. Abraham George Memorial Golf Tournament will, once again, direct all proceeds to Capital Health's Cancer Center providing essential support for clinical enhancements, educational and supportive care services. Please mark your calendars and plan to spend the day on the links, enjoy light-hearted fun on the croquet and bocce courts, with the end of the day boasting a vibrant post-event reception! Kindly note, event planning will ensure adherence to all guidance offered by the CDC, State of New Jersey, as well as West Windsor Township.

Your generous participation and support of the 2021 golf tournament **truly makes a difference** in the fight against this devastating disease. For those who battle cancer today, and those who will know survivorship tomorrow, your participation and support of this premier event is truly appreciated!

We look forward to seeing you on the greens to take a swing at cancer.

Sincerely,
