

PANCREATIC CANCER SUPPORT GROUP

Third Thursday of Every Month | 5 – 6:30 p.m.

LOCATION: Zoom Meeting

A pancreatic cancer diagnosis can leave you feeling overwhelmed with questions about what lies ahead. Wherever you are in your journey, a support group can provide much needed emotional and educational support.

Led by a licensed clinical social worker, our pancreatic cancer support group provides an opportunity to connect with others with those who understand what you are going through. Each month, a different guest co-facilitator helps you navigate the physical, mental, and emotional challenges that can arise. These specialized facilitators include a peer survivor, financial navigator, oncology dietitian, gastrointestinal nurse navigator, palliative care provider, and surgical nurse practitioner.

This group is open to anyone with pancreatic cancer, regardless of where you are receiving your treatment. Meetings will be held virtually via Zoom until public health and hospital guidelines permit safe in-person gatherings.

You must register online at capitalhealth.org/events or by calling 609.303.4068 (please provide your email address). Details will be emailed 2-3 days before the program date. Registration ends 24 hours before the program date.

Please contact Christian Hong, oncology social worker, at 609.303.4068 or email chong@capitalhealth.org for more information.
