4. Purpose of Release: I authorize Capital Health to release my health information for the following specific purpose: _____																		
5. Term/Expiration: I understand that by law, I do not have to release this information and I choose to do so voluntarily. I may cancel this authorization by providing a written revocation to Capital Health, Health Information Management Department at the Regional or Hopewell address listed above. The revocation will be effective upon receipt of my written notice, except that the revocation will not have any effect on any action by Capital Health in reliance on this Authorization before it received my written notice of revocation. This authorization will automatically expire twelve (12) months from the date listed below. I understand that I may refuse to sign this form and that my health care and the payment for my health care will not be affected if I do not sign this form. I understand that once this information is disclosed, it is no longer protected by Federal Privacy Regulations and that the information could be re-disclosed without my permission.																		
6. Acknowledgment: By completing this form, I acknowledge that I have read and fully understand this consent form. I understand the risks associated with the communications of email between Capital Health and me, and consent to the conditions outlined herein, as well as any other instructions that Capital Health may impose to communicate with me by email. Any questions I may have had were answered. I understand that this consent is valid until I revoke the consent as outlined above, except to the extent that a person who is to make a communication has already acted in reliance upon this authorization. Capital Health will have a limited capacity to read emails sent from patients and you should not use email to communicate with Capital Health after receiving your medical records. If you need to speak to your provider concerning your medical records, please contact your provider directly. This authorization is contingent upon review and approval by the Health Information Management Department.
