Capital Health is launching a new EMT Academy designed to train future Emergency Medical Technicians (EMTs) and transition them to positions as full time Capital Health EMTs. The program is open to anyone who wants to pursue a new career, or is just starting out. Those who participate in the training program will be paid as a Capital Health employee and will then move into a full-time EMT position with Capital Health following their certification. The Academy is part of Capital Health's investment in our employees and community, providing the opportunity for professional development and career growth.
